

Sexual Harassment Prevention Training for Supervisors

*“The law requires
certification training
every 2 yrs...”*

**Let USA help you
stay certified!**

Sexual Harassment Prevention Training for Supervisors is required every 2 years, by law, for all supervisors in organizations that employ more than 50 people. **2011 is considered a certification year.**

**UNITED STAFFING ASSOCIATES offers you
2 CONVENIENT OPTIONS**

OPTION 1: Interactive Training (2 Hr)

This training is customized to meet the clients' issues & is presented by the course designer, who has investigated harassment complaints for many years. Participation is \$75 per attendee & includes:

- PowerPoint presentation
- Interactive student materials, including pre & post tests
- Required sign-in sheet & attendee acknowledgment
- Student certificate of completion.

OPTION 2: Online Training (2 Hr)

This online training also meets AB1825 requirements. It consists of a 2 hr interactive online curriculum, which the student may complete at their own pace. It's available in English & Spanish. Participation is \$50 per attendee (\$45 per attendee if more than 10 enroll).
