FOR IMMEDIATE RELEASE

NEW AREA MANAGER HIRED TO FILL VACANCY

SAN LUIS OBISPO, CALIFORNIA (March 1, 2011) United Staffing Associates, LLC, (USA) is pleased to announce that Sharon Graham has joined the USA team as Manager of their Paso Robles office.

Graham has held management, human resources and recruitment positions in the manufacturing and staffing industries for nearly three decades. Over the course of 16 years, Graham worked for an Irvine manufacturing corporation as their HR and Office Manager. While there, Graham was responsible for advertising, processing payroll and the paperwork for all new hires as well as and maintaining the company's medical, commercial and Worker's Compensation insurance policies.

After relocating from Irvine in 1999 to settle on the Central Coast, Graham solely managed a Paso Robles branch for a national recruitment company for three years. She then transferred to their Santa Maria operation where she recruited for local area businesses and for national companies throughout the United States.

The long-time Paso Robles resident is involved in her community, participating in her local Chamber networking events and is eager to become involved in the Human Resources Association of the Central Coast (HRACC) and the San Luis Obispo County Builders Exchange (SLOBE) on behalf of USA.

United Staffing Associates is a privately owned full-service staffing company. Headquartered in San Luis Obispo, California, USA is the largest employment company on the Central Coast, with additional locations in Paso Robles and Santa Maria. Oxnard, Visalia, Porterville, California and Las Vegas, Nevada complete the collection of branch offices and the surrounding areas it serves. USA is engaged in every aspect of the employment industry, including staffing, hiring, recruiting, human resources, safety training, consulting, skill testing, and more.
